

Directors Orientation Program

The National Transmission Corporation (TransCo) Orientation Program for New Directors consists of a whole day familiarization interface with members of TransCo management who will deliver presentations on the following topics:

1. TransCo's Mandates, Mission and Vision
2. Table of Organization and mandates of functional groups
3. Performance Scorecard
4. Board Committees and their Functions
5. Code of Corporate Governance and GCG requirements on Corporate Directors
6. Major issues confronting the corporation and actions being taken to address the same
